MOSSA

Mossa brings hope!

Mossa is more than just a mascot — he's the heart and smile of VVA, here to help children! With his bright colours, friendly face, and message of hope, Mossa talks about important topics in ways that children can understand and enjoy.

Mossa loves talking about:

Bullying

Helping children understand what bullying is, how to stand up against it, and how to be a good friend.

Safety

Discussing personal safety, healthy boundaries, trust, and where to find help.

Emotional Well-being

Encouraging children to talk about their feelings, build self-confidence, and be kind to themselves.

Empathy

Promoting acceptance, understanding, and respect for others — regardless of differences or background.

Mossa's visits include songs, stories, fun activities, and interactive sessions with the VVA team. Contact us if you'd like Mossa to visit your school, preschool, or event.

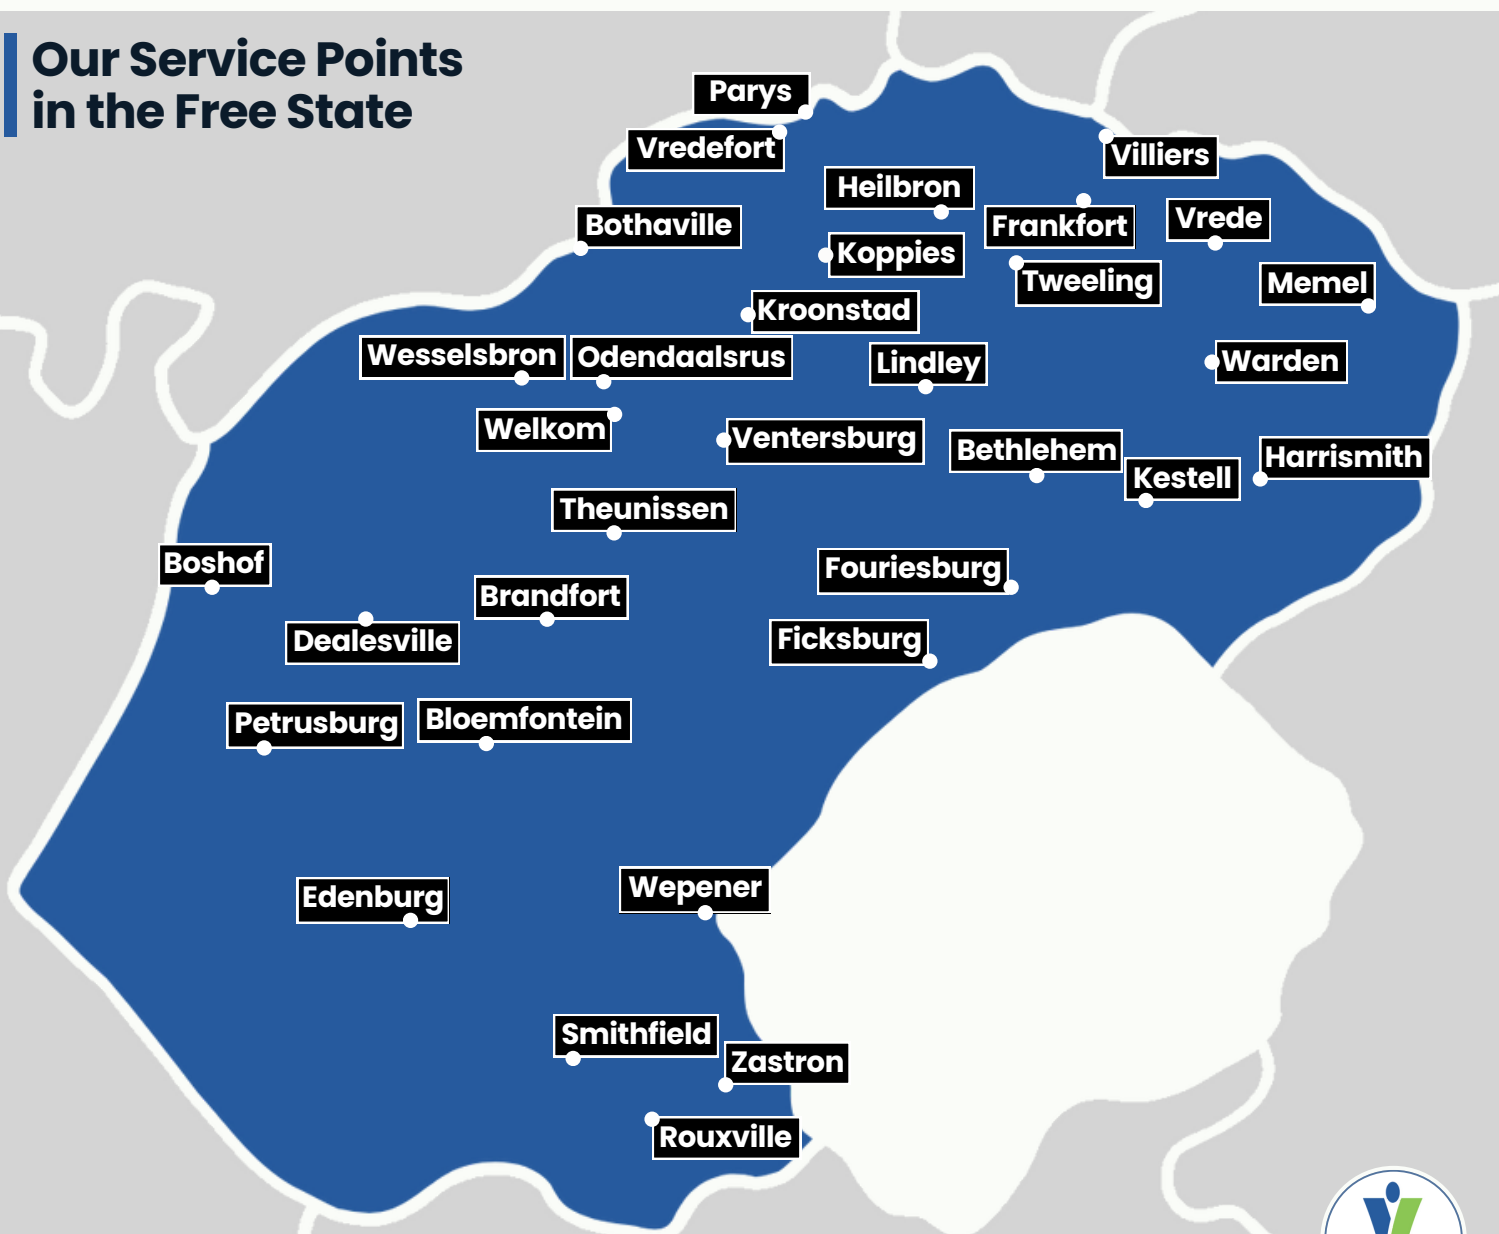

Our Footprint

Caring in action!
